MEMORANDUM FOR CAPTAIN MALPASS
OFFICE OF NAVAL INTELLIGENCE

In belatedly transmitting the attached notes, I want to reiterate my appreciation for the opportunity of having had two weeks training duty in OP-322W. You, your staff, and other ONI personnel contacted were at all times most cordial and helpful.

I am well aware that any conclusion based on limited observation and reached without full knowledge of all factors which have influenced decisions on ONI organization and procedures may not merit serious attention or may indeed be unwarranted.

Nevertheless, I transmit these notes for what they are: the preliminary reaction of an outsider interested in getting better NIE's.

Very respectfully,

[redacted]
Commander, USNR
